To Our Baptismal Facilitators

I am writing to thank you all for your generosity in continuing to support the programme by which young parents prepare for the Sacrament of Baptism.

Because of your continued dedication, the workload is spread so that you are only called on as few times as possible. The total result of this, is that parents think about the Sacrament, are prepared for the actual ceremony and reconsider their role as parents.

I ask that God will continue to bless your work on His behalf and that you will have a safe and healthy year in 2015.

God Bless

Fr Raning P.P.
